

**JOHN DEERE**

---

**MARINE POWER**

**RECREATIONAL YACHT EXTENDED WARRANTY**

***5 YEAR or 2000 HOUR Whichever Occurs First***

**No Charge**

Protect your new John Deere marine engine when buying a new boat or repowering your existing boat. Enjoy 5 years or 2000 hours of worry-free cruising with the assurance of a John Deere extended warranty.

Apply for this FREE extended warranty coverage when you purchase a new John Deere marine engine by contacting your John Deere marine dealer.

**Coverage & Deductible**

This warranty covers John Deere marine engine components, ECU, and John Deere supplied accessories. This warranty does not cover maintenance or third party parts.

USD\$ 250.00 deductible per failure incident paid by the customer.

**Customer Responsibilities**

Customers are required to perform scheduled maintenance with genuine John Deere parts. The engine must be operated within its intended duty profile with a correctly sized propeller verified by a sea trial.

Contact your nearest John Deere marine dealer for Extended Warranty details and program information.
